The Chief Secretary emphasized on making a **Swachh** Assam with proper implementation of Swachh Bharat Mission (SBM).

After a detailed discussion on various issues, the Committee decided as follows :-

1. Though the estimated cost for SBM(U), Assam till 2019 is Rs. 761.04 Cr., it has felt that the requirement is much more and the department shall prepare an estimate of total requirement so that one can plan beyond SBM(U) till 2030 to meet SDGs also.
2. As regards PPP, it was observed that agencies like Sulabh International may be approached to partner in construction and maintenance of Public/Community Toilets. The selection may, however be made following a transparent process in conformity with CVC guidelines.
3. The existing High Powered Committee does not have the critical Stakeholders and therefore it was advised to reconstitute the same by including Commissioner, GMC, selected representatives of major ULBs, C.E.O of GMDA and other experts in related fields from IIT, etc.
4. A dedicated Mission Directorate for SBM(U), Assam should be set up as a registered Society.
5. A Project Management Consultant shall be engaged immediately for preparation of the detailed estimates/DPRs etc. Empanelled consultants of MoUD, if any, may be contacted and guidance of Joint Secretary, SBM, MoUD may be taken.
6. Citizen Committees should be created in all ULBs to ensure large scale public participation.
7. The Chief Secretary asked to study best practice and success stories for other cities on SBM like Mysuru, Chandigarh, Hamirpur, Gangtok, Bangaluru etc. and come up with proposals for replication of the same in the next meeting.

8. It was also decided that a SBM workshop including all Stakeholders be organized at State level.
9. IIM, Shillong / IIT, Guwahati / other knowledge institutions etc. be contacted for involvement to innovate and implement projects effectively.
